The Order of Holy Matrimony: Translated from the Book of Needs Laurence Campbell

A translation that uses traditional English of the marriage service as celebrated in the Orthodox Church. This consists of three parts: the betrothal, the crowning, and the removal of the crowns. This booklet has the texts for all the participants: priest, deacon, and chanter. It will also allow wedding guests who are unfamiliar with the service to follow it and will be particularly helpful when the service is celebrated in a language other than English. It does not contain any musical settings for the sung parts of the service.
