The Promoter of Justice (1936): His Rights and Duties (CUA Studies in Canon Law) John Carroll Glynn

CUA Press is proud to announce the CUA Studies in Canon Law. In conjunction with the School of Canon Law of the Catholic University of America, we are making available, both digitally and in print, more than 400 canon law dissertations from the 1920s - 1960s, many of which have long been unavailable. These volumes are rich in historical content, yet remain relevant to canon lawyers today. Topics covered include such issues as abortion, excommunication, and infertility. Several studies are devoted to marriage and the annulment process; the acquiring and disposal of church property, including the union of parishes; the role and function of priests, vicars general, bishops, and cardinals; and juridical procedures within the church. For those who seek to understand current ecclesial practices in light of established canon law, these books will be an invaluable resource.
