Excerpt from The Sixteenth Maine Regiment in the War of the Rebellion, 1861-1865

My Dear Comrade: - The story of the Sixteenth Maine Regiment from your pen surely requires no introduction from any one; but I gladly improve the opportunity kindly extended, to pay my humble tribute to the memory of the noble dead, and to cordially extend greeting to the gallant ones now living, of that illustrious organization which so signally honored the State of Maine by its distinguished service in the late war. The faithfulness with which you have produced the record, and the completeness of the tabulations, give the work a value not often found in such productions. The biographical allusions, the personal reminiscences, and the delineation of camp, march, bivouac, and battle, are so correctly drawn, that every member of the regiment must take great satisfaction in possessing the book. I think you have hit upon just the idea of such a work, and bespeak for it the highest place among regimental histories. Every one who feels a pride in their own State ought to read it, and undoubtedly they will.
