Interactive learning fun with Elmo and all his friends!

Kids will have fun playing with Elmo and the 'Sesame Street' gang while developing their visual literacy and numeracy skills. These cards are designed to teach children about the relationship between body parts and their functions, and to build word recognition and vocabulary. Each box contains 30 interactive slide panels written and created with teachers. The set includes a parent guide with fun skill-building activities.

Each card can be used over and over again in a number of different ways to reinforce the learning experience.

The interactive sliding concept is clearly demonstrated on the front of the box, and the cards come securely packaged in a sturdy flip-top box. Ages 3 to 6.
